Welcome to Camp Springs Community Church. I trust that you will be blessed today as we study God's Word together. The foundational teaching of the Bible is the Gospel of Jesus Christ, which simply teaches that every person is a sinner (thinks and does wrong things) and is permanently separated from God and Heaven. However, Jesus Christ (God's Son), became a man who died by being nailed to a cross to pay for the sins of the world, and then rose from the grave. Whoever puts his faith in Jesus Christ for salvation will have his sins forgiven and will gain entry into heaven (John 3:16). Please ask us if you have questions.

DOUG & TONI HOEY – RETIRED MISSIONARIES –
Good News Jail and Prison Ministry.

Teresa Homan had a call from Toni Hoey, with an update on their lives

Toni has been having a LOT of trouble with her eyesight the last several years. She has macular degeneration, glaucoma, and double vision. Her eye specialist, told Toni that he could do a surgery on the muscles in both eyes to correct her double vision. She and

Doug prayed about it for some time and finally felt peace to go ahead with the surgery. When all was said and done, the surgery made her eye sight WORSE. Toni was very depressed over this and couldn't understand why they felt so much at peace, when the outcome was so disastrous. Toni's sight was so bad that she could no longer read, nor does she drive (except on rare occasions). She can read better now, but only if she keeps one eye closed.

Doug is still in good shape with his heart and they are very thankful for good reports when he gets his check-ups. He does have cataracts in both eyes that are growing quickly. Surgery to take care of this has been postponed because of covid-19. He is currently scheduled to get one eye done the end of February and the other eye the first part of March. They ask that we PRAY that the cataracts don't grow too fast in the meantime. Doug also has skin cancer on an ear that they are treating with a special ointment to see if that will take care things - trying to avoid surgery if possible. Doug cannot apply the ointment himself and Toni struggles trying to help him because of her eyesight.
They continue to PRAY for the churches that have supported them over the years. They PRAY for CSCC and several of our members by name every Monday evening. (It was encouraging to me to learn that they have been praying for me by name all of these years - what a blessing.)

PAT LACKEY – CEF

How can I ever thank each of you for your many kindnesses to me through the years? Thank you, with all of my heart for being concerned for me when you heard of my $5,000 plus Dentist Bills that occurred this past fall. I was stunned, and sick at heart, that I would have to charge most of the payments!! I am so grateful for your love & concern for me, and for your tremendous gift of $3,200 towards my dentist bills!! It posted to my account this week!! What a great burden you have lifted from me!! Again, I am so thankful for your love, concern & generosity at this time!!

I praise God for the loving people at Camp Springs Community Church, and for your faithful support, prayers, and encouragement, as I serve with CEF, reaching children for Christ!!
