*Welcome to Camp Springs Community Church. I trust that you will be blessed today as we study God's Word together. The foundational teaching of the Bible is the Gospel of Jesus Christ, which simply teaches that every person is a sinner (thinks and does wrong things) and is permanently separated from God and Heaven. However, Jesus Christ (God's Son), became a man who died by being nailed to a cross to pay for the sins of the world, and then rose from the grave. Whoever puts his faith in Jesus Christ for salvation will have his sins forgiven and will gain entry into heaven (John 3:16). Please ask us if you have questions.*

JOHN & LINDA HEATER – T4MM - JAMAICA

**Prayer items:**

J-Teams - Please pray that we can soon return to Jamaica with J-Teams. Pray for our friends in Jamaica who do not have the ability to get the medical attention and medicines that they need. Pray for their spiritual health that they may seek the Lord and grow in Him.

**MIKE & JAYNE KAUFFMAN** – Please pray for them as they process together all that Mike experienced in Jamaica and for God to direct them to individuals and to the areas of ministry He has for them. Pray that more individuals or churches will partner with them in their ministry. They still need \$2800/monthly.

BTC – Please pray for Paul Hemmings and the leadership team as they seek to start new classes. Please pray specifically for those students that God is calling to commit to studying his Word.

October 17, 2020 – Please pray for our Fundraising Telethon. We would appreciate prayer for us as we plan & prepare for this night.

Direction – Please pray for our ministry team as we continue to seek the Lord and be faithful in bringing the Gospel to Jamaica. Please pray for our five missionaries as they participate in a team building retreat with Safe Place Ministries in September. We are excited to plan & prepare together for 2021.

**We give God praise for:**

Mike & John's return from their 24 days in Jamaica. We are thankful for good health and many good visits with our ministry partners & friends. It was good to be together and encourage one another in the Lord.

God's provision for us here in the US & in Jamaica. He has provided health, safety, faithful ministry partners & financial resources. It was a joy for John & Mike to see firsthand how the relief funds are providing for this community and especially to distribute the food to 60 families with Patrick and Omar.

The BTC program is continuing and will soon see 2 more classes graduate. God is raising up new teachers from the graduates.
