Welcome to Camp Springs Community Church. I trust that you will be blessed today as we study God's Word together. The foundational teaching of the Bible is the Gospel of Jesus Christ, which simply teaches that every person is a sinner (thinks and does wrong things) and is permanently separated from God and Heaven. However, Jesus Christ (God's Son), became a man who died by being nailed to a cross to pay for the sins of the world, and then rose from the grave. Whoever puts his faith in Jesus Christ for salvation will have his sins forgiven and will gain entry into heaven (John 3:16). Please ask us if you have questions.

DAVE & PATTY MASON – Military Evangelism (Excerpt)

CAMP JOHNSON

Back in November we met Cody at Chapel. He came to our Thanksgiving dinner and received Christ as Savior. Shortly afterwards he finished his schooling and went back home. He returned to Camp Lejeune a couple weeks ago and is bringing several of his friends to both chapel and the Center every week. We thank God for these connections and how they spread out to bring even more in to hear the Gospel.

Some Sundays at Chapel we stay behind over an hour counseling, answering questions, or just lending an ear. The HVAC, on the building we are temporarily using, suffered a catastrophic failure that necessitates the entire unit to be replaced...just as Eastern North Carolina is experiencing a cold snap like we have not seen in our 6 years here. This past week the exterior temperature was 20. Inside the Chapel it was hovering around 40 degrees as the old space heater on base couldn't keep up with the cold. Pray we can find proper heaters soon, or at least for warmer weather. We are allowed once again to bring students from Camp Johnson out for Friday night meetings at the Center. We pick up between 3 and 6 Marines and Sailors every week.

FBC KEYPORT

We want to thank Pastor Joshua Sahl and the good folks at First Baptist Keyport, NJ for deciding to partner with us as a supporting church. We look forward to years of fellowship and striving together for the Gospel.

PROJECTS

We are working on a plan to improve not just security at the Center (We expect estimates on new fencing soon) but also to take care of some upgrades we need to make, replacing older appliances, lighting, and replacing old dinner tables with new custom made ones. More on these projects is coming soon.

Thank you again for your support, prayers, and fellowship in the Gospel. We couldn't reach these precious Troops without your partnership.
