Welcome to Camp Springs Community Church. I trust that you will be blessed today as we study God's Word together. The foundational teaching of the Bible is the Gospel of Jesus Christ, which simply teaches that every person is a sinner (thinks and does wrong things) and is permanently separated from God and Heaven. However, Jesus Christ (God's Son), became a man who died by being nailed to a cross to pay for the sins of the world, and then rose from the grave. Whoever puts his faith in Jesus Christ for salvation will have his sins forgiven and will gain entry into heaven (John 3:16). Please ask us if you have questions.

BANQUET

We are excited that we are only a month away from our 70th Anniversary Banquet. You should have received an invitation to the Banquet last month, if somehow it got lost in the mail, consider this as your invitation! We need a hard count for our host location, Shady Maple Smorgasbord in East Earl, PA (Lancaster County) by August 8th. If you wish to come but can't get a check in the mail that soon just call or email us how many are coming and we will add you to the list awaiting you payment. You can also contact us online. Just note in your gift it's for the banquet. The cost from Shady Maple is \$24 per person. We have space for up to 150 and would love to pack the room on August the 29th at 6pm! We are busy planning the program for the evening. We will have at least three of our Marines from the Center with us that evening, special music, testimonies and more. Also, if you or a loved one served in our military, please don't forget to send us a picture in uniform (Mail or email). We want to honor those who serve by placing their pictures on the dinner tables.

TRANSITIONS

This summer the "slump", hasn't been financial, it's been another set of numbers. Many of our regulars are shipping out all over the world. This summer, many more are finishing their tours and choosing to return to civilian life. We go through transitions like this every 18-24 months. But just as many are leaving, God is sending new Marines and Sailors our way. On our last Friday evening Bible Study this month, I looked down the table and realized that Burton was the only Marine in attendance who had been with us more than a few months. The roll can be disheartening, saying goodbye to those we have invested in is hard. The Lord is faithful to keep sending us fresh souls to invest in.
