Welcome to Camp Springs Community Church. I trust that you will be blessed today as we study God's Word together. The foundational teaching of the Bible is the Gospel of Jesus Christ, which simply teaches that every person is a sinner (thinks and does wrong things) and is permanently separated from God and Heaven. However, Jesus Christ (God's Son), became a man who died by being nailed to a cross to pay for the sins of the world, and then rose from the grave. Whoever puts his faith in Jesus Christ for salvation will have his sins forgiven and will gain entry into heaven (John 3:16). Please ask us if you have questions.

TIM & DIVINE LIBERER (On the Field)

From two to four!

We had a full summer and as you know I'm not the best at sharing updates, sorry again!

Let us now share the highlights from this summer. Let's start with the beginning of the summer and one of the biggest news items!

On the 24th of June we had the pleasure of welcoming one of the most wonderful gifts the Lord has given us. Our little boy, Joas was born! What a blessing He is to us!

He was born measuring 20.86 inches long and weighted 9.83 lbs. That's quite a baby!

The delivery took a very long time but everything ended well! Divine once again, was awesome. She did not complain at all though she was exhausted and experienced a lot of pain. She amazed me again!

This arrival of Joas wasn't as peaceful for me as the first birth because, this time around, I needed to take care of Yael, our little beloved daughter. I couldn't stay all the time with Divine and Joas as I had to go and check on Yael although my family took good care of her. Their help was a huge blessing for us!

Great news for us: Joas is starting to sleep through the night! That's a huge and great blessing for us! Thank you Lord!
