Welcome to Camp Springs Community Church. I trust that you will be blessed today as we study God's Word together. The foundational teaching of the Bible is the Gospel of Jesus Christ, which simply teaches that every person is a sinner (thinks and does wrong things) and is permanently separated from God and Heaven. However, Jesus Christ (God's Son), became a man who died by being nailed to a cross to pay for the sins of the world, and then rose from the grave. Whoever puts his faith in Jesus Christ for salvation will have his sins forgiven and will gain entry into heaven (John 3:16). Please ask us if you have questions.

Praise the Lord with us:

- Nickalous Walsh and Kezia Jones are the Ministry Team Members for the children’s ministry. This new ministry is called TEAMS Faith Academy and is meeting with 3 different groups each week. Explorers is for ages: 6-8, Transformers is for ages 9-11 and Trend Setters is for ages 12-16.
- For the return of medical clinics and for God’s provision for volunteers to order the medicines, bring them through customs and to organize the medical team. What a blessing it is to be back in these church clinics again.
- For Nickalous Walsh’s graduation this week from Jamaica Theological Seminary
- For our newest team member on the way. Jayne and Mike are expecting a girl in March. Please pray for mom and baby in this second half of pregnancy.

Pray with us:

- Please pray for the medical team as we are short staffed. Please pray the clinics will continue to run smoothly, be able to see all the patients and be a spiritual encouragement.
- Pray for our Jamaican ministry partners who join us at the clinics. Pray for the school, basketball and the TFA lessons this week and for the children who will attend.
- There were no builders available for this trip. Construction funds are needed for the houses in 2023. On Giving Tuesday in November, our goal is on raising enough money to build one house next year. Pray for God’s provision for this vital ministry through this one-day online giving event and other faithful donations to this ministry.
 - Patrick Marshall, elder at Maranatha Baptist Church, has been a ministry partner with T4MM for many years. His wife, Claudia, went home to be with the Lord recently. Please keep him and his family in prayer.
 - Praise the Lord for the work team from Bethel Bible Fellowship Church in Emmaus, PA that came for the last week of October. They painted, landscaped, built and made repairs at the residence at 120 Marrakech. Pray for the Kauffmans as they continue to make this their home when they are ministering in Jamaica.
 - Pray for Omar Vassell and the men who work with him. Pray for them as they complete the fence at the residence, continue to work on the storage building at TEAMS house and several other projects that need their attention.
 - For Paul Hemmings, BTC leadership team, and the BTC classes that continue in Port Maria and Ocho Rios. Pray that this ministry will continue to grow and flourish.
