Welcome to Camp Springs Community Church. I trust that you will be blessed today as we study God's Word together. The foundational teaching of the Bible is the Gospel of Jesus Christ, which simply teaches that every person is a sinner (thinks and does wrong things) and is permanently separated from God and Heaven. However, Jesus Christ (God's Son), became a man who died by being nailed to a cross to pay for the sins of the world, and then rose from the grave. Whoever puts his faith in Jesus Christ for salvation will have his sins forgiven and will gain entry into heaven (John 3:16). Please ask us if you have questions.

DAVE & PATTY MASON: MILITARY EVANGELISM

THANKSGIVING!

Thank you to all who prayed, gave and served at our Annual Thanksgiving dinner. We started prepping for the dinner way back in October when we started buying some of the food we knew we would need, trying to avert the shortages we were already seeing here in Jacksonville. Several friends here in Jacksonville, and even a couple of our Marines provided desserts. Two of our Marine wives cooked turkeys and other food for us at home and brought in. Overall it was true team effort and the Lord Blessed.

The day of the dinner we picked up 13 from Camp Johnson, had a total of 20 first time visitors, fed 53 in total, and best of all, witnessed two young men receive Christ as Savior!

THANKSGIVING LEFTOVERS!

The Tuesday after our dinner (we always serve Thanksgiving Dinner the Sunday before Thanksgiving) we had a special Leftover Service and were surprised by four first time visitors. Three from Camp Johnson who needed a ride, and a Gate Guard I gave Center invite card to several weeks earlier. I held my "Lion's Den" service where I open the floor to any Bible question. I have been doing this since I pastored. It's a good exercise to not only answer their questions, but to keep me on my toes theologically. We had a robust discussion for over 45 minutes after we had our Thanksgiving leftovers.

FENCE

We are thrilled to tell you that we have finally begun the fence project at the Center. As you read this it should be completed, giving us a fully locked in back yard that will enhance our security at the Center. Since we started raising funds back in February, costs have risen dramatically. We scaled back the project a little to meet the budget we set and Luke has a plan to finish the last gate ourselves, utilizing his expertise as a locksmith. It will be a big undertaking, but we thank God we can adjust when inflation hits us like this.
