*Welcome to Camp Springs Community Church. I trust that you will be blessed today as we study God's Word together. The foundational teaching of the Bible is the Gospel of Jesus Christ, which simply teaches that every person is a sinner (thinks and does wrong things) and is permanently separated from God and Heaven. However, Jesus Christ (God's Son), became a man who died by being nailed to a cross to pay for the sins of the world, and then rose from the grave. Whoever puts his faith in Jesus Christ for salvation will have his sins forgiven and will gain entry into heaven (John 3:16). Please ask us if you have questions.*

## **DAVE & PATTY MASON – Military Evangelism**

### ***New Vehicle –***

We want to thank every church and individual who gave so we could purchase our new ministry vehicle. Gifts were coming in right up to the day before we bought and every gift counted! On the last day of March we purchase a 2023 Hyundai, Palisade with room for 7, 4WD and navigation. We will be able to continue to pick up Marines on base, travel to churches (those that got cancelled will be getting calls in the next few weeks!) and accomplish ministry. A bonus: the dealership we purchased from, donates to military charities and they are processing us as one of the charities. Plus they gave us (since we are connected to the military) lifetime oil changes and a lifetime power train warranty! God is good.

### ***From the Kitchen Window – Patty Mason***

We have had several new Marines & Naval Corpsmen sit around our dining tables since the last time I shared with you.

We had a Super Bowl party and a young Navy (introverted) girl came with one of her friends. The next week she came for dinner & Bible Study and hung around to talk to me after her friend left. She shared with me that, that particular meal was her first home cooked meal in almost a year! She told me the reason she came back for dinner was because she said the Center felt like family. When she was in boot camp, her dad died and shortly after that, her grandma (who raised her) died. As far as family goes, she has an Uncle and that is it, well, until now. We are so thankful to have her as part of our family.  
God is good!
