Welcome to Camp Springs Community Church. I trust that you will be blessed today as we study God's Word together. The foundational teaching of the Bible is the Gospel of Jesus Christ, which simply teaches that every person is a sinner (thinks and does wrong things) and is permanently separated from God and Heaven. However, Jesus Christ (God's Son), became a man who died by being nailed to a cross to pay for the sins of the world, and then rose from the grave. Whoever puts his faith in Jesus Christ for salvation will have his sins forgiven and will gain entry into heaven (John 3:16). Please ask us if you have questions.

MATTHEW & ELIZABEHT VAN WART

Uganda (from Facebook last Wednesday)

This has been a fun day for me! Matt came home from immigration saying he chatted with a missionary family while in line. He told me that he invited them over for coffee and donuts and a bathroom if they needed it. Well, they took him up on that offer as things aren't going smoothly for them and they ended up staying the night! So I quickly made some brioche buns and made pulled pork for dinner. (The kids are getting along too.)

Then I got a call from a couple of ladies who are here planning ahead for their team this summer (and gave us Easter candy yesterday!!!). They said they needed a ride back to their lodging as it was dark, and you don't walk after dark. So I quickly jumped in my car and took them where they needed to go.

I love being able to help and host!

KENT & SUZANNE HIRSCHMAN - THE SEED COMPANY

My wonderful wife will be celebrating her 70th birthday on June 17th. My daughter-in-law Stacy wanted us to do something special for her. She came up with the idea of a card shower. We are starting early to give everyone an opportunity to be involved.

Praise

- Suzanne got to attend Grandparents Day at Taylor University with our grandson Kyle.
- We are so thankful for our faithful prayer warriors
- Our granddaughter, Cali was inducted into the National Honor Society and received school letters in Basketball and Soccer

Prayer

- Bethanie has been at our house for over a week, Cali has been sick, and I have been traveling. This has all created additional stress for Suzanne.
- Pray for our stuff. While I was traveling there was a major issue at Bethanie's house that Suzanne had to deal with.
- We have to check with pharmacies to see who has it in stock. If that is on a weekend it could be days that she is out of her medication. Last month she was out of important medication for fifteen days
- Pray for our nation with all the tornados and storms. Pray that more people will look to the Lord for help.
