HAPPY FATHER'S DAY

Welcome to Camp Springs Community Church. I trust that you will be blessed today as we study God's Word together. The foundational teaching of the Bible is the Gospel of Jesus Christ, which simply teaches that every person is a sinner (thinks and does wrong things) and is permanently separated from God and Heaven. However, Jesus Christ (God's Son), became a man who died by being nailed to a cross to pay for the sins of the world, and then rose from the grave. Whoever puts his faith in Jesus Christ for salvation will have his sins forgiven and will gain entry into heaven (John 3:16). Please ask us if you have questions.

Dear Praying Friends

Today we are packing and finishing up things to catch our flight this evening to the US. We quickly wanted to touch base before we leave and update you on our family and ministries that we are blessed to be part of here in South Africa.

Praises:

We have purchased the house to renovate into a church in Stellenbosch (Khayamandi)! Two weeks ago, we finished the paperwork and have begun work on the house. There was a lot of clean up and this week walls were taken down, shacks removed off the property, security doors and bars were added and some electric was put into the house. It is now a usable room for the Khayamandi group to meet in on Thursday evenings. They have chairs, Bibles and a white board. The first children's time was held two weeks ago and we had 30 children. The adults average about 12. The young men from the Mfuleni and Happy Valley churches are leading this church.

We held a weekend overnigher for our Jr. High Sunday School class last weekend. We have quite a large house so we were able to accommodate them along with counselors. It was a busy but really good weekend of growing, learning God's Word and sharing the missionary story of Amy Carmichael and lessons learned from her life. Some of the highlights were testimonies from the kids. We believe this type of ministry will work well for us in the future with our church groups and be spiritually profitable and cost effective.

Prayer Requests:

- Visas - We are still waiting for our visas to be processed. In the meantime, we are returning to the US and will be able to enter South African again on a 90 day visa. Please pray that our long term visas are issued before the end of the year.
- Please pray for the churches and leaders - Mfuleni, Strand, Happy Valley and now Khayamandi as they continue to minister and face the challenges here in South Africa.
- Traveling mercies for us as we depart this evening and especially Craig's welfare.

Thank you for your prayers and partnership with us in sharing the gospel and training the nationals.
