Welcome to Camp Springs Community Church. I trust that you will be blessed today as we study God's Word together. The foundational teaching of the Bible is the Gospel of Jesus Christ, which simply teaches that every person is a sinner (thinks and does wrong things) and is permanently separated from God and Heaven. However, Jesus Christ (God's Son), became a man who died by being nailed to a cross to pay for the sins of the world, and then rose from the grave. Whoever puts his faith in Jesus Christ for salvation will have his sins forgiven and will gain entry into heaven (John 3:16). Please ask us if you have questions.

Contentment
(Excerpt)

"For I have learned in whatever situation I am to be content." Phil. 4:10b

Recently we were reminded of the Father's provision for Paul in Phillipi. Paul is a great example of having a proper perspective, and glorifying attitude in the midst of trials of many kinds. Showing us throughout our day-to-day life to recognize trials as opportunities. His spiritual state directly affected his mental state. He disciplined his body. There was no disconnect between the two. I am not Paul by any means, and cannot declare that "I have learned in whatever situation." But man how I long to be. I desire to be content in all things, remembering he is sovereign, I can fully trust him, and rest in his faithfulness.

Visa / Health Update

Plans unexpectedly changed for us last week regarding Mthoko's visa appointment. Somehow in the midst of wedding planning and ministry, I did not document the correct date for Mthoko's visa. As I started to gather the documents necessary to make the trip down to Cape Town, we discovered we had missed our date. It was on June 8th, and we were realizing this on the 15th. So deflating. We are accustomed to hiccups on the government side of things, but not on ours. Very humbling. We were in need of contentment.

Thankfully, we submitted a lengthy apology/reason for not attending, and it was approved. The Lord showed grace. We're unsure of his ways and his timing, but thankful to have another appointment. This one is for September 11th, so, we wait and continue to pray for Mthoko's visa to be granted.

Thank's to many of you who contacted us and are praying for Mthoko's lungs. The specialist was not concerned about the significant scarring. The surgery he had was quite extensive. The tests showed he has good lung function. And now he is ordering a CT scan to make the final decision. Hopefully, we'll find out the results in the near future.

*For His Glory,
Mthoko & Abbie (Harriety)*
