Welcome to Camp Springs Community Church. I trust that you will be blessed today as we study God's Word together. The foundational teaching of the Bible is the Gospel of Jesus Christ, which simply teaches that every person is a sinner (thinks and does wrong things) and is permanently separated from God and Heaven. However, Jesus Christ (God's Son), became a man who died by being nailed to a cross to pay for the sins of the world, and then rose from the grave. Whoever puts his faith in Jesus Christ for salvation will have his sins forgiven and will gain entry into heaven (John 3:16). Please ask us if you have questions.

PHIL & LORI O'DAY – AVANT MINISTRIES

Dear Friends,

Praise the Lord that last month we appointed six new missionaries from Latin America! They are preparing for ministries on three different continents! These families completed their initial pre-field training, which is one of the first steps toward moving overseas. We are grateful for how we see the Lord leading people to bring light to dark places all around the world! He is reaching the unreached and we are privileged to be a part of the work He is doing?

And we are so grateful for your partnership with Avant! Because you gave, the gospel of Jesus Christ is being proclaimed, lives are being redeemed, and the Church is being planted globally,
For His glory,

LUKE PERKINS – (PRESIDENT) CROSSWORLD

Dear Friends,

I want to personally say thank you for your faithful gifts and prayers for Crossworld workers. Having served on the field with my family in Haiti, I can assure you that your partnership is a great encouragement to those on the ground. It really does make all the difference. That's one reason I am excited to serve you and Crossworld in my new role as president. Visit crossworld.org/president to learn more.

Through your support, disciple-makers are going out into the harvest field and bearing fruit for God's kingdom. I am so grateful for you and hope you know that you are making an impact among the least-reached through your gifts.

SUE PFAFF – SEED COMPANY (PAPUA NEW GUINEA)

My dad has a biopsy of his neck and tongue mass on Tuesday, the 1st. So that will be the final gathering of information on his cancer status. He had a mini black-out while he was praying for the offering in church on Sunday that got his mini congregation very worried. But he came out of it and went on to preach his whole sermon. I was not there, but I believe it was a TIA - trans-ischemic attack, and he had one in church a year ago as well. At that time, he got checked out in the ER and was sent home a few hours later, after the confirmation that he did not have a stroke. He's been fine since that episode last Sunday. Blessings,
