*Welcome to Camp Springs Community Church. I trust that you will be blessed today as we study God's Word together. The foundational teaching of the Bible is the Gospel of Jesus Christ, which simply teaches that every person is a sinner (thinks and does wrong things) and is permanently separated from God and Heaven. However, Jesus Christ (God's Son), became a man who died by being nailed to a cross to pay for the sins of the world, and then rose from the grave. Whoever puts his faith in Jesus Christ for salvation will have his sins forgiven and will gain entry into heaven (John 3:16). Please ask us if you have questions.*

## Simanyene Center

### **Making a Difference in Peoples Lives!**

Our older students who have moderate to mild intellectual disabilities are part of our sewing class. This year they are making quilts, potholders, bags, table runners and pillows. These items are part of our fundraising efforts and it is going very well. They do need assistance, but are making some beautiful things and are leading productive lives.

We had such a wonderful day at the center when Siyabonga received his new wheelchair! We have waited for two years for a new chair from the government and nothing. Siyabonga's feet were on the floor since he is now 18 years old and is quite tall. Thank you for giving so we could purchase this chair for him! Siyabonga uses his eyes as a mouse on the computer and his chin to drive wheelchair. He is able to take his chair back and forth from home to center and has that independence. Siyabonga is in the process of learning excel so he can assist us with bookkeeping at the center next year.

Many of our little ones have cerebral palsy and need 1:1 assistance in everything they do. We take joy in the small accomplishments made!

Please continue to pray for us at Simanyene Center. We are a family and want to give our best to the Lord first and then to His special children.

## Simanyene Residential Home

### **Give thanks to the Lord, for He is good!**

We are expanding to help more children and adults with special needs. The funds have been provided to purchase our children's home. Our offer has been accepted and the home and land will work perfectly for us. We are so excited! We can use the main house to start with but will build off the back to have a residential home and day program for children with special needs. Thank you for praying and giving.

Praise: As many of you know, we have been allowing Craig to stay at the Home two nights a week. Yesterday, I asked him if he wanted to go home with Mom and clearly he let me know by not getting up. It was as if he was saying, "Mom, I'm staying here tonight!" These kids at the home have such a beautiful and amazing relationship with each other. They truly look out and care for one another.
