MARCH 23, 2025

Welcome to Camp Springs Community Church. I trust that you will be blessed today as we study God's Word together. The foundational teaching of the Bible is the Gospel of Jesus Christ, which simply teaches that every person is a sinner (thinks and does wrong things) and is permanently separated from God and Heaven. However, Jesus Christ (God's Son), became a man who died by being nailed to a cross to pay for the sins of the world, and then rose from the grave. Whoever puts his faith in Jesus Christ for salvation will have his sins forgiven and will gain entry into heaven (John 3:16). Please ask us if you have questions.

Greetings partners,

Thank you for your prayers ! Thanks to those who took a minute to pray for the 2nd. edition of the Central African Republic's Forum of the Evangelists.

It appears that there is unanimity regarding the need of a second Forum of the Evangelists in Bangui, the capital of the Central African Republic. I was hoping to be able to send more precise information, but things are slow-moving as there are many parts and stakeholders. However, I can say that it should happen in Bangui (same location as the first) within the first half of November 2025. A delegate of the Global Evangelists Forum (Pastor Gautier) should soon be on site to talk to CAR leaders. Thanks for undergirding his trip with prayers. Yesterday I left Belgium for a four nights field visit.

In case the 'PRET A MANGER' is confusing, let me give you a couple clearer clues.

Yes, I am in London. Our Mesa Global family serving here will be relocating to another British city and changing the focus of their work. We'll be talking about the details of their move later today. As I was out for a walk last night I saw this advertisement. (A show for Harry Potter and the Cursed Child).

It made me glad to be an ambassador of the Messiah and having no other Gospel to proclaim but the Gospel of Jesus-Christ of Nazareth. Tomorrow I'll make my way to Birmingham to visit with another Mesa Global family.

Myriam could not join me on this trip 🙁 She is still recuperating from a small surgery on 3/7 during which the surgeon took out her gall bladder. She is also busy preparing for a workshop she'll be delivering this coming Saturday during a yearly event for women.

She'll be sharing about Wisdom in one's resources explaining how a godly woman can maximize her resources for God's service. She would appreciate your prayers. Thank you!
I did check with Mical and Oscar and they allowed me to share a picture of Adrielle, our youngest granddaughter. They aspect that it not be forwarded or posted to any social media forum.

Thank you for being such wonderful Partners.

In him,
Daniel and Myriam Liberek
