Welcome to Camp Springs Community Church. I trust that you will be blessed today as we study God's Word together. The foundational teaching of the Bible is the Gospel of Jesus Christ, which simply teaches that every person is a sinner (thinks and does wrong things) and is permanently separated from God and Heaven. However, Jesus Christ (God's Son), became a man who died by being nailed to a cross to pay for the sins of the world, and then rose from the grave. Whoever puts his faith in Jesus Christ for salvation will have his sins forgiven and will gain entry into heaven (John 3:16). Please ask us if you have questions.

THE KITCHEN WINDOW

As winter turns into Spring, I Marvel at the Change that Creator does all over His creation. Change and transformation is happening in our services, in men and women too.

Recently, we have had 1 of our Marines, Michael, come in with a new Bible and was putting tabs on each book of the Bible for a friend of his he was going to invite to the Center. 2 Weeks later, Michael, his friend and the Bible came to the Center. The next week Michael came into the Center with another Bible and went to the trouble of adding tabs for another friend that he is inviting out for dinner and Bible study.

I was able to sit on the couch and hear the rough lives and families they were raised in. They showed the change and beauty that has come. This is a new season in each of their lives.

DOCTRINAL QUESTIONS

This month I fielded many questions on Doctrine that frankly surprised me. Though I expected a little pushback from my Marines with Catholic or Orthodox backgrounds, others startled me. During a discussion on religious formality I knew some would push back, but that led to one Marine arguing with me about the “Perpetual virginity” of Mary. He claimed that the grammar of Matthew 1:25 proved Mary never had children I parsed out the verse for him but he remained unconvinced. Soon I will sit down with him and teach him a little on hermeneutics (bible interpretation) and Diagram the verse to show him what the true interpretation is. Other Marines have told me that reciting the same prayers over and over again is spiritually gratifying. I have had to confront them with this question: “Is your satisfaction spiritual or emotional?” I honestly love these moments. The Lord gives us many victories with these discussions, though at times we never convince the gainsayers. It highlights the dire need to bring solid doctrinal teaching to these young men and women. They are the future of the church and if the Lord tarries we need them properly trained. Moments like these remind me how urgent and needed our ministry to the next generation is.
