*Welcome to Camp Springs Community Church. I trust that you will be blessed today as we study God's Word together. The foundational teaching of the Bible is the Gospel of Jesus Christ, which simply teaches that every person is a sinner (thinks and does wrong things) and is permanently separated from God and Heaven. However, Jesus Christ (God's Son), became a man who died by being nailed to a cross to pay for the sins of the world, and then rose from the grave. Whoever puts his faith in Jesus Christ for salvation will have his sins forgiven and will gain entry into heaven (John 3:16). Please ask us if you have questions.*

Dear Friends,

The new year had just begun , and I was looking out the window. The day was cold----10 degrees with a wind chill of -2. Coming out of the woods and running up next to the house, I saw a herd of fourteen deer. Three were young yearlings. Hunting season had just closed, and they had lived through another year. I watched them in awe as I pondered how God cares for even “ the beasts of the field”. I thought to myself, “ If God can care for these animals in this Arctic Blast, surely without a doubt He can care for me and my needs.”

Year 2024 had been a very difficult and challenging year. I lived through problems I never dreamed I would or could endure. Yet, “He is faithful and He is enough”. I have come to the conclusion that some of our problems He chooses to deliver us from and others He chooses to walk through them with us. No matter what He chooses for us, He is always with us and His love for us never changes no matter what He Chooses.

As you walk through this new year, may You find Him to be a faithful to you as He has been to me. God never wastes pain, suffering, sorrow and grief. May we learn to “look” for what He is doing and rejoice in His purposes, care and love for us. His care for me has come through many people like you who have been used by Him to meet my needs. You have been so faithful, and I am so thankful. May God continue to bless and use you through 2025.

Anxiously awaiting His return,  
Betty Kay
