JULY 13, 2025

Welcome to Camp Springs Community Church. I trust that you will be blessed today as we study God's Word together. The foundational teaching of the Bible is the Gospel of Jesus Christ, which simply teaches that every person is a sinner (thinks and does wrong things) and is permanently separated from God and Heaven. However, Jesus Christ (God's Son), became a man who died by being nailed to a cross to pay for the sins of the world, and then rose from the grave. Whoever puts his faith in Jesus Christ for salvation will have his sins forgiven and will gain entry into heaven (John 3:16). Please ask us if you have questions.

Dear Camp Springs Community Church

Winter came in with a vengeance last week to Cape Town. Heavy rains, flooding, wind and cold permeated the week. Many days there was no electricity in the Mfuleni or Happy Valley Churches. It made life a little difficult to do ministry and start the Stellenbosch roof project. We're relieved to see the sun this week and on Monday the roof project began. They went in and took everything out of the existing building, built a platform, tore off the old roof, transported the trusses today with the bakkie. Next they will be putting the trusses on and then hopefully, the steel before more rain arrives this weekend. Please be praying for safety for our team and closing up the building soon.

Craig had two surgeries this past week. One was to remove an abscess under his arm (very painful) and the other was to have his teeth cleaned and checked over. Thankfully, everything went well and there were no real problems. Thank you for praying! We're also thankful for good medical care here in South Africa.

Speaking of two... we had two robberies. Two weeks ago, skolies (thieves) climbed in over our neighbor's fence and stole half of Wayne's tools and other things. Last week, I had my backpack stolen out of my vehicle and it contained important documents, my laptop and client bank cards. These things shake us up and cause great loss to us in ministry. We always need to be alert and vigilant.

Our teen weekend went well. There were 15 teens and 5 counselors. We taught on life lessons from William Carey, Missionary to India. One thing that stuck out was that when he had difficulties he would say they were reasons to trust God more. Such a challenge to all of us!

Thank you for your prayers and partnership.

Wayne, Sue & Craig Royce
