*Welcome to Camp Springs Community Church. I trust that you will be blessed today as we study God's Word together. The foundational teaching of the Bible is the Gospel of Jesus Christ, which simply teaches that every person is a sinner (thinks and does wrong things) and is permanently separated from God and Heaven. However, Jesus Christ (God's Son), became a man who died by being nailed to a cross to pay for the sins of the world, and then rose from the grave. Whoever puts his faith in Jesus Christ for salvation will have his sins forgiven and will gain entry into heaven (John 3:16). Please ask us if you have questions.*

Dear Brothers and Sisters in Christ,

As some of you know, Jericoh experienced another medical emergency and was admitted to the hospital. The doctor ultimately decided not to proceed with intubation. After initiating oxygen support and connecting the IV, by the Grace of God, he responded well. He remained under observation in the Emergency Department overnight to determine if discharge would be possible; however, his oxygen levels continue to fluctuate as of this morning.

At present, Jericoh is not in good spirits, but we remain steadfast in hope and continue to pray for his full recovery. We trust in the Lord's healing power and ask for your prayers and support during this time.

Thank you for standing with us in faith and compassion.

With gratitude,  
Hannah Valbuena-Villamiel
