**April 11, 2021**

*Welcome to Camp Springs Community Church. I trust that you will be blessed today as we study God's Word together. The foundational teaching of the Bible is the Gospel of Jesus Christ, which simply teaches that every person is a sinner (thinks and does wrong things) and is permanently separated from God and Heaven. However, Jesus Christ (God's Son), became a man who died by being nailed to a cross to pay for the sins of the world, and then rose from the grave. Whoever puts his faith in Jesus Christ for salvation will have his sins forgiven and will gain entry into heaven (John 3:16). Please ask us if you have questions.*

***KEVIN & LUCY HEATER – FRANCE CROSSWOLRD***

Dear partners in prayer,

We trust you had an uplifting Easter weekend - what a glorious message we have to enjoy and to share! We had asked you to pray with us for our Easter events and so we wanted to give you an update.

Our Saturday night outreach was appreciated by all who attended, but we were disappointed that no one from outside the church family attended. One wanted to but couldn't connect via zoom. The presentation of the Passover supper in connection with Jesus' last supper was enlightening and gave a good foundation to our Easter service the next day. We had two neighbors join us for Easter dinner (with sanitary protocols) and we were glad to be able to at least briefly discuss the truths of Easter with them. We know these times are building blocks in the relationships and in sharing the Gospel.

The seminar on revitalizing the church gave us some good food for thought as we consider the work to which the Lord has called us. It will be one of the topics of discussion with the leadership in the next few weeks.

Thank you for standing with us in prayer. We appreciate your part in the Lord's work here.
