Welcome to Camp Springs Community Church. I trust that you will be blessed today as we study God's Word together. The foundational teaching of the Bible is the Gospel of Jesus Christ, which simply teaches that every person is a sinner (thinks and does wrong things) and is permanently separated from God and Heaven. However, Jesus Christ (God's Son), became a man who died by being nailed to a cross to pay for the sins of the world, and then rose from the grave. Whoever puts his faith in Jesus Christ for salvation will have his sins forgiven and will gain entry into heaven (John 3:16). Please ask us if you have questions.

DANIEL & MYRIAM LIBEREK - BELGUIM

PRAYER:

* Please pray for the problems we are encountering when putting our services online. Week after week we have encountered internet problems and can't seem to find a solution. It is aggravating and hindering the ministry. The worst was on Easter Sunday when the connection was so bad that we had to stop and reboot.

* Please continue to pray for our in person and virtual services. May more people be reached for Jesus. Pray especially for the kid's events and the youth meetings that are being organized. The kids and the youth are suffering direly from the side effects of the confinement and the social restrictions.

* Please pray as Daniel prepares for a seminar on '*Leadership*' that he has been asked to give by the Brussels Bible Institute.

* Please pray for Lea as her recovery from Covid is very slow. She had to drop out of Bible School and can't sing as she used to; she underwent tests yesterday and we are awaiting results.

* Please pray as Daniel prepares for a seminar on '*Sexual abuse, trauma and recovery*' that he has been asked to give for the leadership of the church association we are in partnership with.

PRAISES:

* Praise God for the great team of Kids' worker who put on quite a program last Saturday. May the seeds planted come to fruition.

* Praise God for the gifted members who are able to provide assistance to continue to put our services online (sound and video technicians, musicians) and for Joachim who is back on the praise band team.

* Praise God because He is still on the throne even as this world is becoming more and more unhinged!

* Praise God for the believers who keep pressing on so that the Gospel is proclaimed and needs are being met. Last Tuesday we had two parliamentarians come and visit our Food Bank ministry.
