Welcome to Camp Springs Community Church. I trust that you will be blessed today as we study God's Word together. The foundational teaching of the Bible is the Gospel of Jesus Christ, which simply teaches that every person is a sinner (thinks and does wrong things) and is permanently separated from God and Heaven. However, Jesus Christ (God's Son), became a man who died by being nailed to a cross to pay for the sins of the world, and then rose from the grave. Whoever puts his faith in Jesus Christ for salvation will have his sins forgiven and will gain entry into heaven (John 3:16). Please ask us if you have questions.

***DICK and BETTY KAY (JAMACIA)***

*Dear Saints at Camp Springs Community Church*

*Please forgive my lack of correspondence with you for such a long time. Betty has been very sick for this past year. When she got the required Covid shot she got Covid and it has wrecked her life.*

*The February 5<sup>th</sup> I had a massive brain bleed while driving 55 mph. Four hours later I came to in a hospital. Our son told me how the Lord and his angels helped him get control of the car so no damage was done.*

*My life has totally changed. Lots of therapy for my brain and body. This is even my first attempt to write a letter. They say it will be a minimum of six months before I can drive, so I am halfway there now. my brain and body. This is even my first attempt to write a letter. They say it will be a minimum of six months before I can drive, so I am halfway there now.*

*This is all I can manage to write at this time. Thank you so much for your prayers and very helpful financial assistance.*

*Love,*

*Dick and Betty,*
