Welcome to Camp Springs Community Church. I trust that you will be blessed today as we study God's Word together. The foundational teaching of the Bible is the Gospel of Jesus Christ, which simply teaches that every person is a sinner (thinks and does wrong things) and is permanently separated from God and Heaven. However, Jesus Christ (God's Son), became a man who died by being nailed to a cross to pay for the sins of the world, and then rose from the grave. Whoever puts his faith in Jesus Christ for salvation will have his sins forgiven and will gain entry into heaven (John 3:16). Please ask us if you have questions.

KENT & SUZZANE HIRSCHMAN – The Seed Company

My wonderful wife will be celebrating her 70th birthday on June 17th. My daughter-in-law Stacy wanted us to do something special for her. She came up with the idea of a card shower. We are starting early to give everyone an opportunity to be involved.

Incredible Stories of God's People Asking Him to Move

When was the last time you asked something of God with the faith-fueled expectation that He would do it?

For many believers, praying too specifically can feel arrogant and selfish. Or worse, we don't really believe God is powerful enough to do what we ask. To many of us, having a tiny mustard seed of faith is already a stretch; we can't imagine God will grow it any bigger, much less produce fruit!

If you find yourself needing reminders of God's faithfulness, take a few minutes and read some of the stories on our website www.seedcompany.com.

Praise

- For Kent's wonderful trip to Bangladesh to observe a checking workshop
- We are so thankful for our amazing prayer and financial partners
- For our amazing veterans past and present who secure our freedoms.

Prayer

- Bob's upcoming para thyroid surgery coming up next week
- Pray that Kent will finish the year well. He is asking God for an extraordinary increase.
- Bethanie's medications continue to give us challenges. We have to check with pharmacies to see who has it in stock. If that is on a weekend it could be days that she is out of her medication.
- Pray for our nation with all the tornados and storms. Pray that more people will look to the Lord for help.
